Dear Tim Martin-Harvey,

Your business taken care of.

Thank you for helping me understand your shipping needs. Based on what we talked about, here are your prices to review and some of the key benefits of choosing to work with us.

We're not just a delivery company, we're a partner that applies the same care and attention to your customers and parcels as you do – your reputation is safe with us.

How we support your customers

We'll send regular **notifications** and provide a **1hr delivery window** so your customer knows exactly where their parcel is.

Your customer can **track their parcel** online at any time to get **real time updates**, and **change their delivery options** if they're not going to be in.

Provide peace of mind for secure deliveries with **pin codes and age verification.**

How we support you

You'll have access to a **dedicated account manager** and our **expert customer service** agents Monday-Saturday.

If you have an urgent issue, we provide a clear escalation process to resolve things quickly.

Your local depot team is on hand to help with changes to collections or any queries.

How we help you reach you customers

When you partner with us, you can rely on our delivery expertise and global reach to deliver your parcels to customers in the **UK and over 200 countries worldwide**.

DHL Group has invested £482m in the UK, creating a new, state-of-the-art national hub and opening 8 new depots across the country, built with sustainability at their core. We have the capacity to help your business grow.

Meet your customers where they are with our **Eco on the Go** out of home delivery solutions, making click and collect and returns as easy as pie.

Understanding your business and plans for the future are fundamental to our partnership – we'll work together to create a tailored delivery solution that suits your needs. We're excited about the opportunity to work with you, so if you have any questions at all, please get in touch.

Best Regards,

Ian Pitchley
